I, the undersigned, a Justice of the Peace, in the County and State aforesaid this sixth day of June A.D. 1906., make the following record, taken from the family Bible or Amos Holland(father) in which there appears among other records, the following:

Enoch Phillips Holland was born April 29th. 1838.

The Bible does not bear any date to indicate when it was published, but from the style of printing, binding, steryeotyping etc. it would look to me to be between seventy five and one hundred years old. Published by Kimber and Sharpless , Philadelphia Pa. It also shows the marriage of Amos Holland to Miss--------Phillips July 2d 1828.

There are no indications or erasures or alterations, and the writing is or a very old style, and I would think that it was done at about the time of the event. The Bible is in the hands of J.H.Holland, brother.

I hereby certify that the above statement is true and correct.

We hereby certify that upon examination we find the following objective conditions:

Pulse rate, 78 84 108; [Sitting, standing, after exercise.] respiration, 18 18 30; [Sitting, standing, after exercise.] temperature, N;

Here give a full description of the disabilities, in accordance with Book of instructions, and make a separate paragraph for each disability. Lungs chest 30 forced exp 29½ forced insp 32 inches. Auscultation & percussion show lungs to be normal. Heart. Pulse full regular. Ophthalmoscopic normal, no murmurs. No hypertrophy or dilatation. No dyspnoea or anaemia. No edema. Urine. Pale yellow, acid, spec grav. 1018. No albumin, no sugar

Facts within the knowledge of the Board, or any member thereof, relative to the cause of any disability found should be stated. Double varicocele. There is no evidence of varicocele no hernia. There is hydrocele left side. Circumference 10 inches long diameter 11 inches. There is a small varicocele in end of right testicle about size of small pickon nut. Does not wear suspensory. He claims to have lost all "virile power."

There is no evidence of arteriosclerosis. There is well marked arcus senilis, but no evidence of premature senility.

No other disability exists

Whenever a disability is shown or is believed to be due to or aggravated by vicious habits the opinion of the board must be stated. When not due to such habits this fact must be stated. We find that the aggregate permanent disability for earning a support by manual labor is due to age and varicocele & hydrocele, not due to vicious habits and warrants a rate of $12.

When rates are recommended solely on subjective evidence the strongest reasons must be given therefor.

Dear Madam-

In reply to your inquiry as to what I know of the marriage of Enoch P. Holland and Harriett Nixon of Woodville Penna. I may say that my knowledge, tho circumstantial is corroberated by the Muster Rolls of company C Ninth Regt. Penna. Reserve Vols. now in my posession and also by entries in a diary which I kept throughout the year 1862 when I was Captain of said Company.

Prior thereto during the winter of 1860-1861 I was teaching school in the village of Bridgeville Allegheny County Penna. Mr. Holland was also a teacher in that school district and I met him frequently during the term. We became intimate friends and I was introduced to Miss Nixon by him and had every reason to believe that his acquaintance with her was signifficant of prospective marriage.

When President Lincoln issued his first call for troops to suppress the rebellion Holland and I enlisted in a company known as The Iron City Guards which company became attached to the Ninth Regiment Penna Vols. and was mustered into the United States service July 28 - 1861.

Shortly after the Peninsula Campaign when the Regt. was located at Harrison Landing V. a detail was made of two men to go to Pittsburgh on recruiting service. At that time I was acting Adjutant of the the Regt. and selected Holland as one of the detail He left the Regt. on the tenth of August 1862 and returned October 25. following. In conversation with him he informed me of his marriage to Miss Nixon.

He continued in service with the Regt. until the expiration of its term of service, May 11-1864 when it was mustered out

Gentlemen.

In regard to the application for pension for Harriett N.Holland. Widow of Enoch P.Holland. formerly of Co. C. 9th P. R. V. Inf. I have known This family since I have known any one and I am past 57. years I know that I have often heard my Father and also Mr. Holland say that they were chums together from boy-hood to manhood, and I have known that Mr & Mrs Holland lived together all their ~~hiwas~~ married life and up to the time of his death. I was well enough acquainted with them to believe that they had never married Before they married each other and that they were never divorced or separated from each other until death separated them, I also know how difficult it is to secure Testimony from witnesses to the facts which occurred 55 or 60 years ago, and as I am satisfied that this case is a most deserved one, I pray that you may give it favorable consideration.

Mrs. Harriett B. Ott,

My dear Mrs. Ott:-

Answering your inquiry as to my knowledge of the marrige of E. P. Holland and Harriett Nixon I may say that during the winter of 1860-1861 I was teaching school at Bridgeville in Allegheny County Penna.

Holland was also a teacher in one of the shcools of the district and, meeting him frequently, we formed an acquaintanceship that ripened into intimacy which gave me an insight into his character and aspirations in life and when President Lincoln called for troops to put down the rebellion Holland and I went to the city and enrolled in a company that was subsequently assigned to duty in the Ninth Regt. Penna. Reserve Vols.

August 6-1862, having been promoted to the position of Adjutant of the regiment I made a detail of two enlisted men - E.P. Holland and Charles B. Monshaur, to be sent to Pittsburgh on recruiting service.

October 25 -1862 Holland returned to the regiment and continued with it until mustered out May 12 -1864

Talking with him soon after his return he informed me of his marriage to Miss Nixon

The above facts as to being detailed on recruiting service and return to the regiment are substantiated by the Company Rolls now in my possession and the announcement of Holland of his marriage to miss Nixon by a diary that I kept during 1862

There is nothing else that I can think of that would be of service to your mother in her application for a pention if the impossible is still demanded by the department the only thing to do is to make application for justice through "special" legislation a dangerous door to leave open.

Sincerely yours,

Sir:

The above-cited claim for pension requires a certified copy of the church record showing date of claimant's marriage to soldier, or a certificate from the proper officer showing that said marriage is not of record. In the event of no record, there should be filed the affidavit of the person who performed the ceremony, or sworn statements of two persons who were present, showing date of said marriage. The copy of claimant's marriage certificate is not sufficient on this point.

Each piece of evidence filed should have inscribed thereon the name of the claimant, the name and service of the soldier and the number of the claim.

Commissioner of Pensions

My dear Sir, -

I have been sick abed
& trying to establish
my brothers claim for a
Pension for my father.
Enoch P. Stolland. Private
C. 9 Pa. Res Corps. died
May 5 - 1916 age 7 Syears
Sept. 1909 through the Nation's
Tribune he placed a Preliminary
Report with Atty. Stolfell.
giving all essential facts of
service and marriage.
No. of Report. 4758 before
my father died, he told me.

to notify Atty. Waggoner and we would have no trouble I did so. and find the "Report" was not worth the paper it was written on. We have had all papers attended, also sent my mothers Marriage Certificate, they were married Feb. 22-1862 were married one day he went away to the war the next day, the Minister and witnesses are all dead, no Record was kept of marriages in those days so we can not bring perfect back from the grave, they are still wanting evidence that my mother was my father's wife how one of the legal children I have had affidavits of people who knew them

both before their marriage
I do not see as we could do
anything more and why
they are still holding up
her claim, she made the wrong
and is entitled to it.
Perhaps you may be able
to do something about it.
A Mr. Curtis of Pittsburg
called on the morning of
my father's funeral and
stated he was appointed by
the Government as agent
for this "District" to view
the bodies of "Old Soldiers"
also to take charge of getting
the Pensions for Widows.
I had nothing to do with him
as I did not know the Pension
Bureau employed any one

for that purpose,
hoping you may be able
to get this matter settled
I am very truly yours
a daughter of a soldier

Hon. A. J. Barchfield,
Washington, D. C.

My dear Dr. Barchfield:-

I have a little matter that I would like you to take up for me and see what you can do towards hastening the granting of a pension to Mrs. Harriet Nixon Holland, widow of Enoch P. Holland of Lindsay Road, Scott Township. Harriet Nixon Holland and Enock P. Holland were married the 22nd day of October, 1862, when he was home on recruiting service from Civil War. Samuel Crouse, pastor of the M. E. Chartiers Church, now the First M. E. Church of Carnegie, performed the ceremony and Sophie Crouse, his daughter, and Chattie Gilbert, were the witnesses.

It seems as though the department is in some doubt as to whether this marriage has been sufficiently proven. As it took place, more than fifty-four years ago, both the minister that performed the ceremony and the witnesses are dead and there is no one, so far as we have been able to determine, that can prove the signature of any of these people. For fifty-four years they lived as man and wife and had eight children borne to them, five of whom are still living and they have lived all of this time, in Scott Township, and the past thirty-six years in the house his widow now occupies and have been known to their neighbors, associates and relations all the fifty-four years, as husband and wife.

Now we are willing to do anything that is possible, but if they ask us to do the impossible, then it can not be done and the widow will be deprived of her just deserts, as the widow of Enoch P. Holland, who died May 3rd, 1916, and she soon thereafter, made application for pension, July 19th, 1916, as his widow, at No. WO 1069473. Mr. Holland was a member of Co. C 38th Regiment , Pennsylvania Infantry, So you will see our people for six months past have been endeavoring to obtain this pension for Mrs. Holland, and we thought that you might be able to bring it before the department and assure them that you know the parties, which I know you do, and they have also called upon for assistance, M. Elliott Waggaman, successor to R. W. Shoppell & Company, Pension Attorney, Corner Ninth and F. Sts. N. W. Washington, D. C. Mr. Waggaman on July 18th, in a letter to Mrs. Holland, states:

"We have received and filed your application for Pension.

There will be needed proof of marriage, and the Bureau prefers a certified copy of the public record. Please write to the clerk of the county where you were married giving your maiden name, your husband's name in full, and date of marriage, and ask that a search be made and that you be sent a copy of the record. "

Now at the time of this marriage, there was no record kept of marriages whatever in Allegheny County and so it is impossible to comply with that requirement.

"The Bureau will also require a certified copy of the public record of death of your husband, or if it is easier, you can send the affidavit of the physician who treated him in his last illness. We have prepared a form that will assist you. "

It will not be difficult to send a certificate of the date of the death of Enoch P. Holland, but as he died without any property, save his pension, the widow did not care to go to the expense of filing a record of his death, but did send the affidavit of Dr. W. C. Wallace, who treated him in his last illness, that he died on May 3rd, 1916 and they also sent affidavit of the undertaker who had charge of the funeral services.

"There will be needed the testimony of two witnesses who have known you and your husband from the time each was old enough to be married showing whether either was previously married and whether you have always lived together. The enclosed forms will assist you . Read them over carefully and get the oldest among your relatives and acquaintances who know the facts to sign and execute these, as the Bureau frequently throws out evidence because the witnesses are too young."

It is stated that Squire A.W. McMillen did obtain the testimony of two witnesses, who they were I do not know, but the papers on file will disclose who they were.

Now it appears in reply to another letter, Mr. Waggaman, under date of August 3rd, 1916, stated:

" In addition to the proof of death of your husband which

we called for, there should also be furnished better proof of your marriage, as examining the record closely that you sent, we find that this is simply a copy of your marriage certificate and a copy of the marriage certificate is not regarded as proof of marriage. If the original certificate has a seal or revenue stamp, it will be accepted, If not, tell us if there are any living witnesses to the marriage."

Copy of the marriage certificate was forwarded and then later the original certificate was forwarded, but id does not have a seal or revenue stamp as these requisites were not required at the time this marriage took place and they also stated that there were no living witnesses of the marriage nor the signature of the witnesses.

On August 11th, 1916, he also wrote,

"We have received and filed the evidence sent us and think your claim is about complete and hope soon to be able to notify you of the allowance. "

Since that date, nothing has been heard from him.

Now Doctor, this is a very worthy case. Mr. Holland was not only a member of the Grand Army of the Republic, but a member of the Veteran Legion and he was thought so well of among his associates in the Captian Thomas Espy Lodge, 153, that they gave him a military funeral, at which the Veteran Legion, was represented. You will not only confer a great favor upon the family, but also upon the members of these associations in assisting in the obtaining of this pension, promptly, and if there is anything, upon investigation, you find it is necessary for me to do to assist you in getting this done, do not hesitate to write me and I shall be under obligation to you for your assistance in this matter.

I might mention that there is a letter on file from Robert Taggart of Tidioute, a friend of Mr. Holland, a copy of which letter I attach, under date of Dec. 9th, and also one written under date of December 22nd, 1916, He was written to, thinking he might be able to assist in the proving of the signature of the minister. In a letter dated, November 5th, he stated:

"Now as to your mother's pension, I know something of the rigid demands of the pension office in the matter of proving marriage. A friend of mine here who made a specialty of that kind of work was in the habit of talking the matter over with me and I am heartily in favor of giving practical demonstration to your suggestion that the red-tape methods may be elimated by the women voting, and the sooner the better. ** October 25th, 1862, in a diary that I kept during that time, it states: Your father returned to duty with the regiment and informed his personal friends that he was married before returning, but I was not a witness to the wedding nor do I know the signature of the parties attesting the marriage.

Hoping you may be able to hasten matters through, I am
